## **2025 NASA Student Art Contest**

IN PARTNERSHIP WITH THE NATIONAL INSTITUTE OF AEROSPACE

The combination of art, science, and technology can be seen all around us. This year's NASA Student Art Contest encourages students in grades K-12 who are residents of the United States to be curious about the world around them and to ask the question, "What if"?

The contest opens on December 1, 2024 and will accept artwork submissions in accordance with the rules through December 31, 2024.
