

CONNECTING
the

2024 NASA Student Art Contest

In partnership with the National Institute of Aerospace

Certificate of Participation

This certificate recognizes your participation in the 2024 NASA Student Art Contest. Thank you for sharing your vision and artistic talent with the NASA community. We hope you continue to recognize the relationship between the art, science, and technology all around you and discover new ways to *connect the dots*.

A handwritten signature in black ink that reads "Clayton P. Turner".

Clayton P. Turner
Director, NASA's Langley Research Center

A handwritten signature in black ink that reads "Kristina S. Cors".

Kristina S. Cors
